

PURCHASING VOUCHERS VIA OUR WEBSITE

1. Description and scope of data processing

On our website there is the option to purchase vouchers. If a user uses this option, the data entered in the input mask will be transmitted to us and saved. This data is: title, first name, surname, address, email address, telephone number, voucher amount, personalisation of the voucher, shipping options/alternative shipping address, method of payment.

Voucher purchases on our website go through the online ordering system of websLINE Internet- & Marketing GmbH, Sägewerkstrasse 24, 83395 Freilassing, Germany. All order data you enter shall be encrypted. websLINE commits to the data privacy-appropriate handling of your personal data. The company takes all organisational and technical measures to protect your data.

In this context, no further transfer of your data to third parties takes place. The data is used exclusively for processing your booking and for communication purposes.

2. Legal basis for the processing of data

The legal basis for the processing of the data is the conclusion of a contract of sale with the user.

3. Purpose of data processing

The processing of personal data from the input mask serves solely to process your voucher purchase and to process payment transactions.

4. Duration of storage

The data will be deleted as soon as it is no longer necessary for the purpose of its collection. In the case of a contractual relationship, we will delete the data received as soon as national, commercial, statutory or contractual retention requirements have been met.

5. Means of objection and removal

The user has the option to object to the processing of their personal data at any time.
